

Credit Profile Report

Precise data. Unsurpassed file coverage.

You can't make the best decisions if you don't have the best information. That's where we come in. With Experian's Credit Profile Report, you get everything you need to deliver the most profitable results. Accurate, current, complete data — and the peace of mind that comes with it.

Unparalleled accuracy. Superior data quality. Comprehensive profile information on more than 220 million credit-active consumers. Experian's Credit Profile Report gives you what you need to:

- **Acquire new business** — Make decisions about new customers and new accounts quickly and accurately.
- **Manage customers** — Monitor, evaluate and make decisions based on real-time updates to customer profiles.
- **Maximize collections** — Identify potential fraud and take action where your recovery chances are greatest.

Harness the power of File OneSM

With Credit Profile Report, you gain unique access to the data from Experian's File OneSM — the most comprehensive nationwide credit database available.

- **Complete** — File One holds current credit information on more than 220 million credit-active consumers.
- **Accurate** — High-integrity, current information.

- **Easy to read** — Our format groups similar data elements together for faster analysis.
- **Flexible** — You can choose your display format.

Our industry leading match logic ensures more complete files and more accurate hit rates, saving you time and money by eliminating multiple inquiries and manual searches for data. Take a look at a sample Credit Profile Report on the following pages.

Credit Profile Report

Files on nearly 220 million credit-active consumers nationwide are maintained in the Experian database. Your inquiry initiates a search of this database that produces an applicant's credit history — the Credit Profile Report. An illustration and description of a sample Profile Report follows.
