

TAKE YOUR BUSINESS TO THE NEXT LEVEL WITH SPRINT.

The Sprint Executive Briefing Center (EBC) delivers an award-winning, fully-facilitated, highly-customized professional briefing that demonstrates what a Sprint partnership can do for your company.

Sprint Executive Briefing Centers (EBCs) provide a high-impact and interactive opportunity to experience Sprint's leading-edge technology and innovation. Sprint offers small, mid-size and enterprise-level companies a comprehensive range of emerging technologies and solutions. Plus, wireline and wireless communications services bring productivity and mobility to multiple types of businesses in both the public and private sector. Sprint's world-class venues are business environments that demonstrate how we can effectively solve your unique challenges with a solution that is tailored to fit your company's needs.

No two briefings are alike

While no two briefings are similar, the VIP treatment you will receive is the same no matter which EBC location you visit. Your briefing is planned and customized to fit your needs and we think of every detail. Through our award-winning planning process we design a briefing that is tailored to your objectives and business challenges.

A visit to a Sprint Executive Briefing Center includes:

- A tailored briefing to meet your business objectives
- Engaging and interactive discussions with senior executives
- Valuable, real-world industry insights from subject matter experts
- Customized solution demonstrations to fit your needs

VISIT A CENTER NEAR YOU

Sprint Executive Briefing Centers are strategically located near metropolitan cities throughout the country.

Visit a center near you

Sprint Executive Briefing centers are strategically located in metropolitan areas throughout the country. The most convenient location to you is:

Kansas City

6220 Sprint Parkway
Overland Park, KS 66251

EBCs bring solutions to life

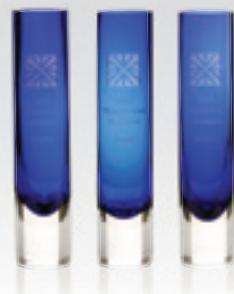

- Learn about the latest technology and how it can impact your business
- Understand the powerful combination of Sprint solutions as well as leading hardware and software vendors
- Discover how Sprint can address your unique needs with innovative, customized solutions specifically for your key executives or your entire team

“I was not aware Sprint offered this many services or technology solutions. It really expanded my view of Sprint’s capabilities.”

– Decision-maker from a transportation company

Award-winning briefing program

The Sprint Executive Briefing Program has been awarded the designation of World Class in the categories of Measurement, Management and Planning. The awards were given by the Association of Briefing Program Managers (ABPM) and are the highest external recognition in the briefing profession. The EBCs are proud to be World Class and look forward to hosting you in one of our centers.
